IT ALL A

Whether its sports, fine arts, clubs, or just the basics, we want to recognize those who made this year a success. With education changing, many of these activities could be in jeopardy in the future. Although these are needed for a well rounded education. For example, without sports one would lose their competitive edge; without fine arts, creativeness would be limited; without clubs, one would not receive the advantage of learning from each other. Are the basics, such as English, math, and science, all that it takes for a well rounded education, as well as a successful year?

Every year there is a group of 43 students that make up the Student Council. They consist of nine members from each grade and seven officers selected by the student body. There are also three or four sponsors. Last year they were: Ann Boswell, Susan Fridge, Debbie Gilbert, and Linda Lewis.

This club is designed to help improve and encourage school spirit and pride. There are several activities that are sponsored by the Student Council each year. For instance, the movies that are shown throughout the school year and the many activities that are held during football season. Examples of these are the pie in the face contest, and best decorated car contest. Other activities consist of the balloons that are released at half-time during the homecoming game, the mums that are given to the Homecoming court, and the Valentine carnations that are sold for Valentine's day. Each holiday they show their appreciation to the faculty by furnishing a coffee or just leaving them some candy.

Although this may seem like a lot of work, there are many fun times. Several parties are put together with snacks, games and or swimming. Besides the parties, there are workshops that selected members attend. The summer workshop is good experience and a reason to meet new people. There are also the district conventions, mid-winter workshops, state conventions and one day workshops that are held at nearby schools.

Each Student Council has their own way of helping the school and community, however they encourage all students to run for this organization.

Have you ever seen a Golden Glove Champ? This was your last chance! Senior, Alton Chaney won the Golden Gloves many times. In 1982-83 he won the Golden Gloves. Also, in the same year he was the State Golden Gloves Semi-Finalist, the National New Mexico Runner-up, the state amatuer boxing federation runner-up and he ranked 10th in the Nation. His record was, in 1983, 179 wins and only 20 losses. In 1984 he was the Golden Gloves Champion and state G.G. Semi-Finalist; where he won 3rd place! Alton would like to go to U.T. Austin, but will probably settle at a Junior college. It is hard to get a scholarship in boxing, because only armed forces have boxing teams. Alton likes to go fishing but doesn't have much time due to training. He plans to continue boxing until he becomes a professional.

What was it when everyone went to the auditorium to hear Country and Western music? It was the Sunshine Boys, sponsored by the Student Council. The cowboys, the teachers, and yes, even the hard rock fans went to hear them.

Performing twice, once for the freshmen and sophomores, and then another time for the juniors and seniors, the group sang songs such as "Lady Down On Love," "The Closer You Get," by Alabama and "Swingin" by John Anderson.

The Student Council collected a shall charge of one dollar at the door. Most agreed that the concert was well worth the fee and the time. They sang an oldie for the teachers. The song was entitled "Charlie Brown," by Chuck Berry.

In any high school, where can creativity, sportsmanship, scholarship, and spirit be found? Most would say several different places. In Mesquite High, though, it was all found in Michele Zmolik.

Michele made everything add up during the four years that she spent here at M.H.S. Although she was involved in many things, she kept her grades up. Michele was on the All year honor roll, both her junior and senior years. But this was not enough for this ambitious young lady. She was a member of the National Junior Honor Society as well as the National Honor Society.

She served on the Student Council for four years. She was elected sophomore chairperson, junior secretary and senior vice president.

As a sport, Michele participates in volleyball. She was a varsity player for two and a half years and played for the junior varsity as well. Michele received many awards for her sport, which included a Sportsmanship award. She also was honored with Outstanding J.V. Player, as well as Honorable-Mention All-district player.

As involved as she was, Michele still found time to express the spirit that she had for her high school. At several pep-rallies and many of the football games she, through the magic of her spirit, becamse a walking spirit stick, and the school's first live mascot, Stormy. Michele had to make two different stick uniforms and one skeeter outfit. After spending 15 hours working and sewing on the mascot uniform, with the help of her sister-in-law, she said "I just like to."

Other activities that she was active in are FBLA and FCA. Michele was also nominated for Miss Skeeter. After adding these things up, anyone could see that Michele Zmolik was more than an average student.

Most Memorable Experience

Bobby Pope — Being in the All-Star review. At the Wilmer Hutchins game, we tied and I made a first down. Meeting Michele Zmolik and staying with her since 8th grade.
Grant Yarbrough — Playoffs — Spruce Apaches, Beating North Mesquite, Player of the Week.
Kristie Davis — On stage for the All-Star review, Going to the **Senior Prom** with Grant Yarbrough.
Rona Lee Price — Halftime performances on the football field, being a Sr. All-Star of the week at the North Mesquite game.
Kerry Meredith — Beating North Mesquite in football. Making the first down. Friends and parties!!!
Robert Stroud — Beating Spruce for the playoffs. Signing with the Ouachita Baptist University.
Terry Moran — Beating North Mesquite!!!
Tonya Reil — Being the Homecoming Queen nominee with my dad.
Brenda Davis — Making All-Star captain.
Laura Rice — Michele Zmolik got drunk in Europe.
Steve Flores — Meeting Cynda Boyd.
Bobby Herndon — Tripping Kenneth Oliver in Outdoor Education.
Danny Harrell — John Hickman blowing up the lockers.
Wayne McMillin — Caught lighting a firecracker in front of Mrs. Johnson's room.

Jess Cathey — Beating North Mesquite by 1st downs.
Greg Mullins — Going to the Prom with my girlfriend.
Jerry Metz — Taking out Mrs. Cross' daughter.
Rueben Muniz — Accepting into MIT
Christy Norman — Coach Ankrum flashed us in the gym.
Annette Boyles — I asked to see a little girl's cabbage patch doll and when I took the diaper off to see if it was a girl or boy — I couldn't tell. I then offered the girl some lifesavers and she wouldn't take them.
Derek Robbins — Getting into the state playoffs.
Jason Payne — When I forget to wear my underwear to a football game.
Mary Beth Mank — Meeting new friends and graduating.
Paula Mann — Watching Chris in lunch everyday.
Diana Gonzalez — Watching Melanie Olson falling down the stairs and tripping up the stairs in the same day.
Candice Clark — Everyone spilling their tea in lunch and the prom.
Tina Eisele — Walking a block to school on the first day.
Roy Puente — Growing up with his friends.
Muriel Brown — When I got stopped for obstructed view. My car was shoe-polished for Car Decorating Contest.

After many hours of a long, and hard workout, five seniors became known as "the wall." Under the coaching of Phill Gerik, these guys contributed a great deal to the team's title of bi-district champs.

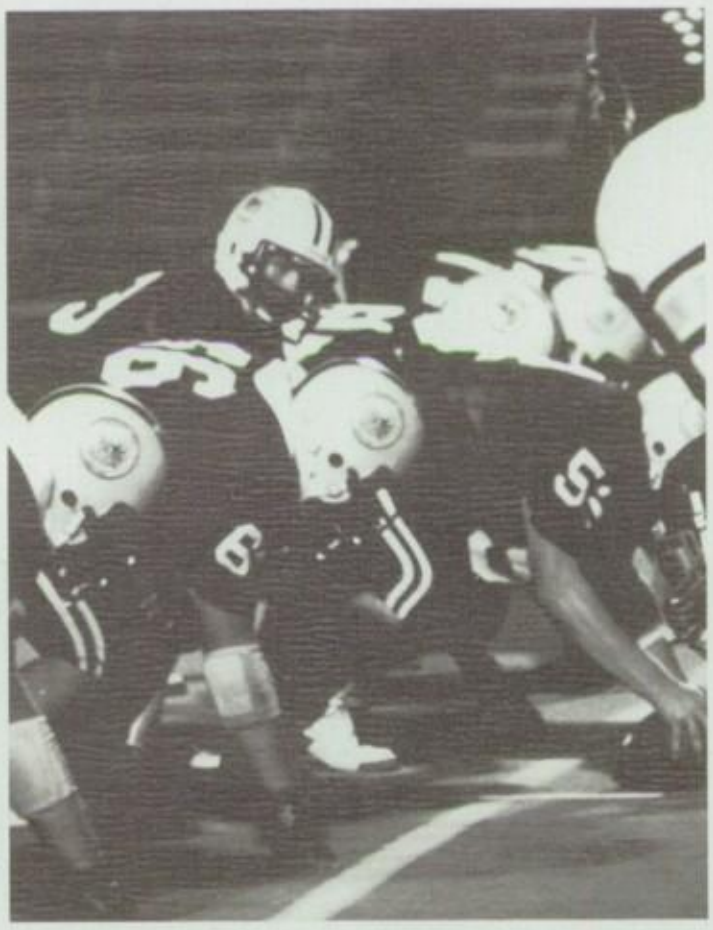
The offensive line consisted of James Brooks, Brad Johnson, Scott McCracken, Doug Moss and Bo Wright. These young men were highly respected throughout the 9-5A district. The entire "Wall" was picked for the All-District team.

Brooks, number 52, was named first team center. He was also a captain for the Skeeter football team. Johnson, number 60, was named guard for the second team. McCracken, number 75, was named to the second as a tackle. Moss, number 71, became tackle for the first team. Wright, number 66, received the honor of offensive and defensive teams both. He was selected for the first team guard as well as defensive tackle, also the first team. Bo was a team captain for the Skeeters as well. He also was picked for the All-State second team.

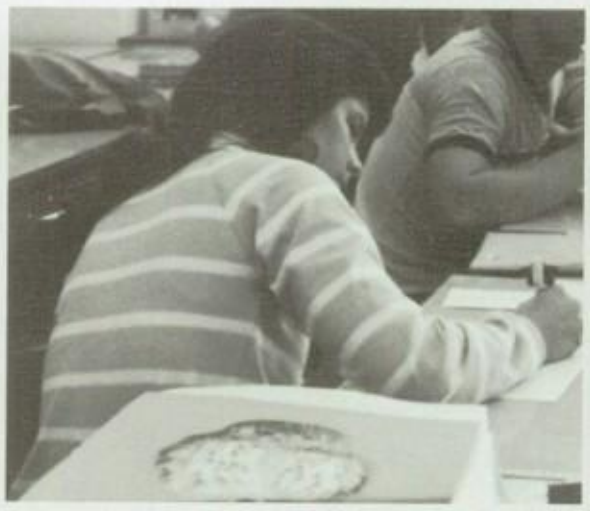
At the beginning of the 83-84 football season, the "Wall" wrote and adopted a little story.

The Wall

With ferocity unbridled in the season known as Fall, our foes run into trouble when they run into *The Wall.* Our star-wart line is awesome, from the time they take the field, till the Scotties holler "Uncle!" and the Raiders big to yield. There's Brooks, Moss and McCracken, making holes both deep and wide, and Wright with "skinny" Johnson who pull from side to side. Our backs need no assurance cause the wall is there to see that "52" is open and the foe's in agony. 'Midst Patriots and Colonels, Stallions, Eagles, Owls and such, *Our District* is in trouble 'cause the wall is just *too* much! So when you hear 'em comin', you'd best give right of way 'cause the wall is looking for a *fight,* to brighten up their day.



Stacey Davis



Beautiful artists are hard to find but we found her here at Mesquite High School. Senior Stacey Davis was involved in art for six years — two years in Middle School and four years here at M.H.S. She also took private classes for two years from Bruce Greene. In the Texas Fine Arts Competition in 1983, her portfolio consisted of three colored and two black and white pencil drawings, and one oil painting. Her portfolio won in the Top Ten for five regions and qualified her for the State Competition, which was held in San Marcos. At state she won the Region II award and runner-up to Best in Show. Stacey was also skilled in pen and ink and pastels. Besides being involved in art, her time was occupied by being a senior ALL-STAR. She participated in many ALL-STAR performances at football and basketball games and at the spring show "The ALL-STAR Review." She was also a member of the National Honor Society and during her spare time, she enjoyed playing tennis. After graduation she plans to attend University of Texas at Austin and major in architecture.

At school, Michael Yee was perceived as a quiet, solemn, yet a hard working student. Although his personality did not make him stand out very much in the classroom, his soccer skills set him aside from many other athletes. Despite public apathy toward his selected sport, he was inspired and driven to be one of the best, that was what Michael became at Mesquite, one of the best. Standing above a group of many, he played varsity for three years. He was a superior player offensively as well as defensively for the team each year. By using his exceptional ball control on the playing field, he left behind a bewildered opponent and a cloud of dust. Upon graduation, Michael plans to attend college and play soccer as well. His skill was not limited to acquired talents, but also included the ability to control his will. Michael Yee exemplified the words of the great American poet, Ralph Waldo Emerson, "Make the most of yourself, for that is all there is of you."

To be a honor student, captain of the drill team, and a National Merit Semi-Finalist, you would think that you would have to be smart. To some it is a gift from God, as it is for Belinda Smith.

Belinda had been a member of the National Junior Honor Society for four years. Then she moved on to be in the National Honor Society for two years. To be a member of N.J.H.S. or the N.H.S. you had to accomplish a grade point average of 5.5 and Belinda had seemed to accomplish that.

Belinda had also been a member of the Student Council and was the President also. The Student Council is a group of 43 people who are voted by the student body to represent each class of the entire school.

Out of everything Belinda had accomplished she was nominated to be a National Merit Semi-Finalist. This is the acception of the PSAT test that is taken in October along with a high verbal status. Even though she did not get to go to the Finals, Belinda has a half paid tuition to Baylor University.

When you looked at Belinda you saw a girl who had accomplished her dreams and even other dreams as well, in her stay at Mesquite High School. We wish her the best of luck in the future.

Thomas Swanson, a 6 ′ 4 ″ senior, led our Skeeters to a great basketball season. Thomas led the team in scoring, averaging 14 points per game. Besides leading in scores he also led in rebounding and field goal percentage. Thomas was on varsity for two years and was captain his senior year. As Thomas left M.H.S. his last words to the J.V. and Freshman players were, "Stick with it and don't give up!" Just as he never gave up. "He's improved greatly since last year. His attitude provides good leadership for our team, he's really an all-around player!" Coach Hall said. This improvement helped Tom make the All-Star Tournament in Duncanville this past year. Also, Thomas has received letters from many colleges, but hasn't made up his mind to where he would like to continue his future.

One of the most outstanding representatives in the history of Mesquite High School Music Department has been David Polk. He began his interest in music at the early age of three, when he received his first drum set. David began studying percussion privately at the age of six. Throughout his high school years David's many hours of study and practice have earned him numerous awards and recognitions. As a freshman he was a member of All-Region Band and All-Region choir. For the next two years he earned a position in All-Region Band, All-Region Choir, and All-Region Orchestra, qualifying for Area in all three his junior year. This was an accomplishment never acquired before at Mesquite High School. His junior year he achieved the high ranking of a member of the All-State Band, performing on typani. David's senior year he was a member of All-Region Band and All-Region Orchestra and he received the ultimate honor as the best high school typani player in the state of Texas by earning first chair in the All-State Band.

During his stay at Mesquite High School, David earned six first-division medals in percussion at region Solo, and Ensemble contest and three gold medals at the state contest.

David was section leader of the Mighty Maroon Drum Corps for four years. He was also a member of the Dallas Youth Symphony, Phantom Regiment Drum and Bugle Corps, Sky Riders Drum and Bugle Corps, Jazz Lab, Kantorei, Contempo, and Chorale. He had a leading role in the musical "Carousel," and was a soloist at numerous performances.

David will be a percussion major at Texas Tech, with education emphasis. He eventally plans to earn a graduate degree at Eastman School of Music in New York.

F.H.A., which stands for Future Homemakers of America, is a very active organization all over the United States. Students in H.E.C.E. and P.E.L.E. make up part of F.H.A., although any homemaking student may be in it.

F.H.A. had a Christmas project that worked out very well. The F.H.A. group called the Mesquite Social Services to request a group project. The F.H.A. students were given the name of a family in need. This family had suffered a terrible tragedy last November. The 26 year old father had died of a heart attack, leaving his wife with three young daughters. The daughters were Christie — eight, Deana — three, and Lisa — 11 months. The family had moved from Louisiana to Texas to live with the children's grandmother.

The F.H.A. members collected donations of clothing and money for the family. The money was used to buy the children presents. The mother later sent a letter of appreciation to the M.H.S. Homemaking Department, enclosed were pictures showing how happy the children were while opening their presents.

The F.H.A. had a project in January for Cystic Fibrosis, which is the disease that affects the digestive system and the lungs. This disease is the number one genetic killer of children and young adults. F.H.A. received donations for the research into the carriers of this disease. They had hoped to reach 1,000 in donations. They ended up with over $ 100.00

If a person donated a dollar or more, they were to put their name on a card and give it back to the F.H.A. Person. On Wednesday, February 8, 1984, there was a balloon lift off for Cystic Each card was tied to a separate helium balloon and sent up. Balloons landed all over Texas and also other states. The cards were then sent back to M.H.S. with the finders name, address, and where the card was found. This was an interesting and helpful project.

Other activities that F.H.A. had were: October 17, 1983, a Pot Luck Supper and Installation; February 6th-10th, the National F.H.A./H.E.R.O. Week; February 14th, the Encounter Dinner; March 2-3, Area V F.H.A. at Crowley High School; April 12-13, F.H.A. State at San Antonio, and May 14th, the Awards Dinner.

Carolyn Zimmerman

graduate of Baylor University and
t Texas State University, Carolyn
merman started her teaching career
nty-nine years ago at Agnew Jr.
h. After spending two years there,
came to the high school and she
taught here ever since. She spent
first ten years as sponsor of the
squite-O. She has taught a variety of

subjects such as American History, Business Math, Business Law, Salesmanship, and Typing. For many years Mrs. Zimmerman has served as a sponsor for the Senior class. After spending her entire teaching career in Mesquite she decided to retire. We proudly dedicate the 1984 Mesquite-O to Carolyn Zimmerman.

The Easter Bunny Comes To MHS

Many hundreds of years ago in a hidden region of China lived [illegible] (English - "The Easter Bunny"). As legend has it, he stayed in his cubby except for 1 day, which of course was [redacted] Although, the East[illegible] China he made his rounds all over the world passing out colored eggs. [illegible]tune inside. So that every teacher across the earth experienced this legend which by the way are plastic so don't try to eat them!) This China bunny [illegible] knew the customs, the fashions and the distinct accents of every pla[illegible] image a "Chinese" Easter bunny in TEXAS! He started off in boots riding on Silver yelling **"HI HO!"** But as a modernizing legend, (and in [illegible] the times... now wearing only Jordache jeans, Polo shirts, Tony L[illegible] animals. Also, using the accent, "Why dudn't ya'll come ourn out to d[illegible] show ya how CALIWELLS!" However, that may have worked in Dallas, [illegible]ded to change his look and hop on over to MHS! Appearing in Lee [illegible]ny shoes, he greeted by Mr. T and told to [illegible] a here out. However, t[illegible]ing in such a school, he left a "FORTUNE EG[illegible] for each teacher at [illegible]unds for 1984, he made his way back to [illegible]na and his 6,000 [illegible] to do for 364 days out of a year?)

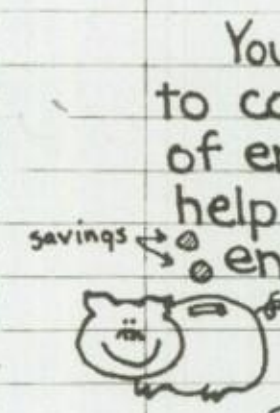
You can help.



You've heard a lot about the need to conserve electricity and all forms of energy. Not only does conservation help save our nation's precious energy resources, it helps you and your family save money since the cost of energy is a big chunk out of most families' budgets. You can help your family by doing your part... make sure you close doors and windows when the heating or air conditioning unit is on; don't "graze" when you raid the refrigerator – know what you want before you open the door; hot water takes energy – try a shorter shower; and make sure the television or stereo is off when you're through with it. Work with your family to save energy now... you'll help make sure there will be enough for everyone when you start a family of your own.

Cheryl.
your a very special person
with a great personality and
your an excellent violin player.
I'm so glad were such good friends
and I hope that will never change.
Good luck in the future.

Brian

Cheryl,
I haven't known you
long, but in the
time I've known you
you've been a very good friend
and I hope we could
continue our friendship
Quiosm! Good luck
in all your future endeavors!
Rabbit! Rabbit!
Rabbit!

Cheryl,
I can't believe it's
already the end of
our freshman year.
It seems like only
yesterday we were
in Mrs. Hall's
homeroom. Time
flies when you're
having fun.
Have a great
summer and I'll
see you next
year.
Love ya,
Amy

Cheryl,
my freshman year
was a great one
due to friends like
you. And I can tell
my sophomore year
is going to be a
good one too. Lets
make the friendship
last a lot longer
OK?

To a
Dear
Special
Friend
I am
thankful
for you
because
you're
a
warm
person
and
a
true
friend.
Have a
wonderful
summer
and
good
luck
in
everything
you
do.
Love,
Cheryl

Cheryl,
I don't know
what to say. Iam
so glad we're friends,
just think if it hadn't
been for Andrea we
never would have
met. I know we'll
stay friends forever.
Weird got so much know
I don't think the fun
will never end. I hope
you have a great sophmore
year and the rest of the
years to come! Don't ever
forget, your real speacial
to me. I hope you find
your dream guy & when
you do he'll find out how
speicial you are! You've
got the strangest personality
I've ever known in anyone
besides myself. Don't ever
forget, I'll be here, always, to listen
ear to ya! Love always
to ya!
"87"
Tammy!

Cheryl,
I don't know
you very well, but
from what I see & hear
you are a very nice
person. I hope we can
be good friends
Love ya,

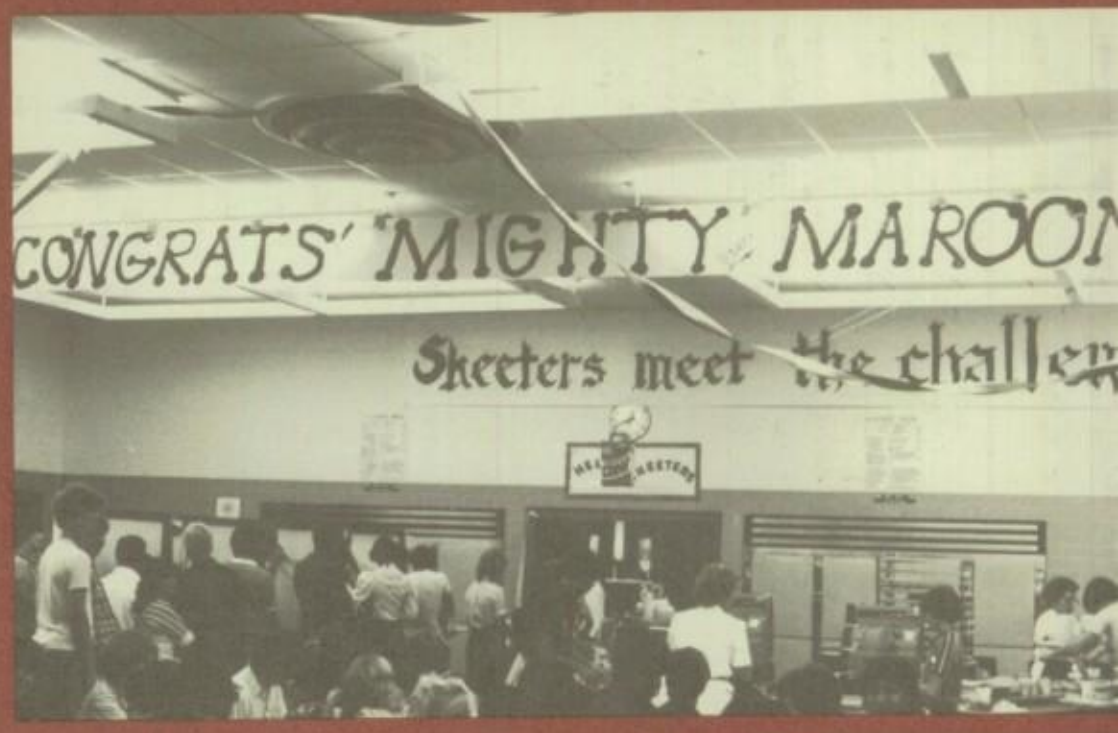
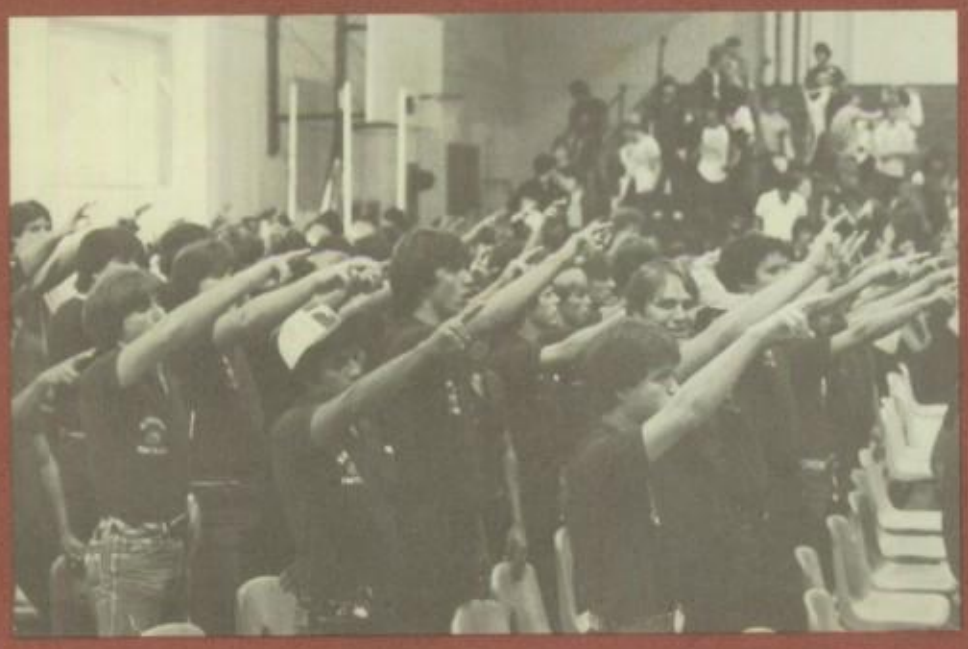
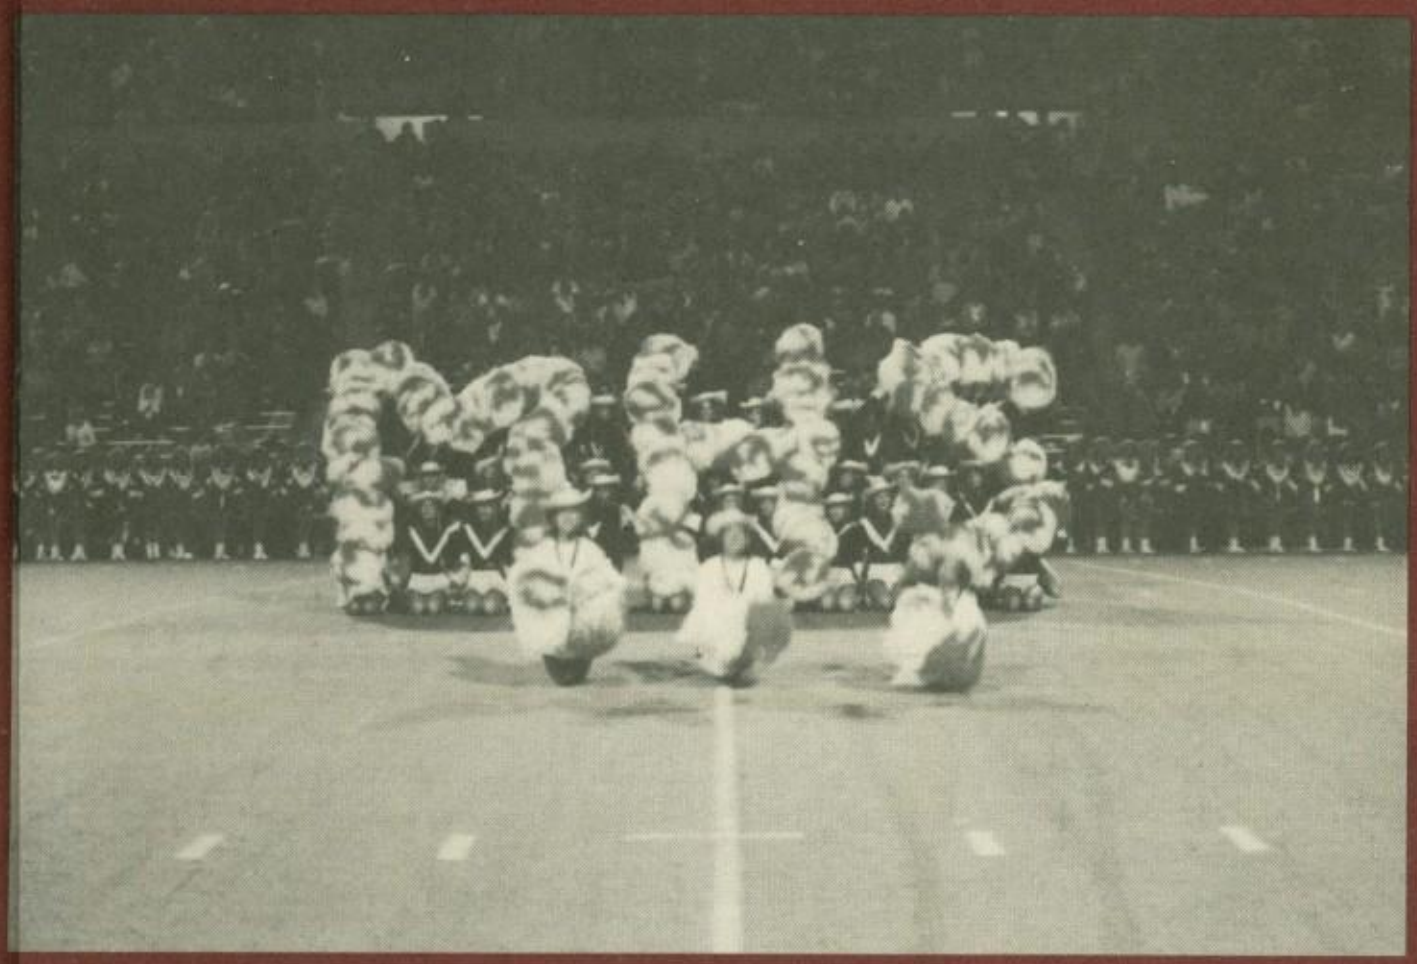
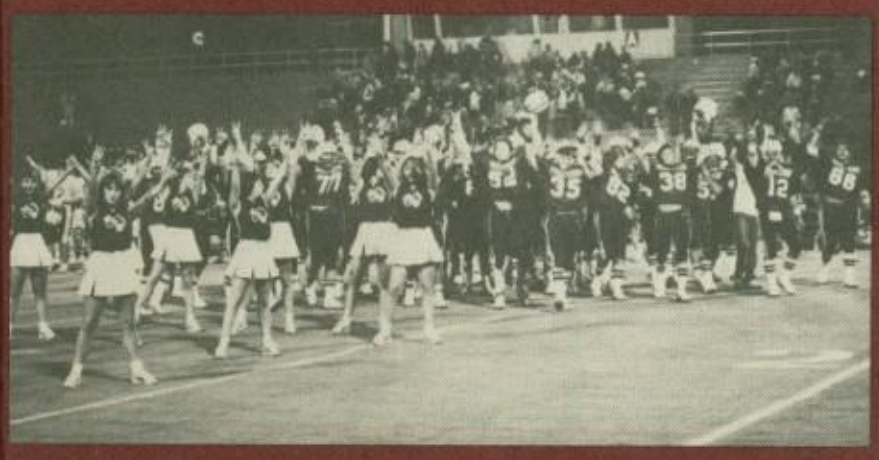
IT ALL A





DDS UP...





As we have tried to show throughout these pages, whether great or small, extracurricular or required, it takes a combination of *all to add up* to a well-rounded education. We would like to extend a congratulations and a thank you to EVERYONE who made the year 1983-1984, a GREAT SUCCESS!
